

# Nursing School (RN)

## Subject-Based Courses

COURSE	Tutorials	Questions	Notes
Anatomy & Physiology	412	2452	Popular due to the breadth of content
General Biology	211	1601	
Genetics	40	294	
Gross Anatomy	324	1836	
Histology	67	453	
Immunology/ Microbiology	207	1440	
Neuroscience Fundamentals	233	931	Popular due to the subject complexity
Pathology	333	2313	
Pharmacology	50	371	
Physiology	334	2145	

## Specialty Course

COURSE	Tutorials	Quiz Questions	Board-Style Questions
Nursing (RN)	554	3403	508

### ADDITIONAL FEATURES

#### ATLASES

Abdominal CT Atlas  
Radiographic Brain Atlas  
Physical Exam Findings  
Muscle-Nerve Directory

#### INTERACTIVE EXERCISES

Diagram Drawing  
Exercise Completion  
Labeling Images

#### FLASHCARDS

10,000+ Flashcards

- Board Highlights
- Diagnostic Pearls
- Treatment Strategies

#### REFERENCES

Key Academic Resources & Current Scientific Citations

#### CLINICAL CORRELATIONS

Radiographs, Videos, & Integrated Clinical/Scientific correlations in the Tutorial notes

\* The Ditki Team will arrange tutorials into a custom course for faculty upon request.

\* Administrative Privileges for Faculty and Staff available upon request.

\* A single tutorial may exist in multiple courses, so course tutorial counts do not represent the number of unique tutorial.
