

PROGRAM CURRICULA

- **MEDICAL SCHOOL (MD/DO)**
- **NURSING SCHOOL (RN)**
- **NURSE PRACTITIONER/PHYSICIAN ASSISTANT (NP/PA)**
- **RESIDENCY PROGRAMS (ESP. NEUROLOGY, INTERNAL MEDICINE, OBGYN)**
- **CONTINUING MEDICAL EDUCATION (CME)/PROFESSIONAL DEVELOPMENT)**
- **UNDERGRADUATE UNIVERSITIES/PHARMACOLOGY SCHOOL**

MEDICAL SCHOOL (MD/DO)

Medical School (MD/DO)

SUBJECT-BASED CURRICULUM

Subject-Based Courses

COURSE	Tutorials	Questions
Biochemistry	170	1102
Cell Biology	139	946
Embryology	79	532
Genetics	40	294
Gross Anatomy	324	1836
Histology	67	453
Immunology/ Microbiology	207	1440
Neuroanatomy	276	1140
Pathology	333	2313
Pharmacology	50	371
Physiology	334	2145

Board Courses

COURSE	Tutorials	Quiz Questions	Board-Style Questions
USMLE/COMLEX 1	554	4303	508
USMLE/COMLEX 2	297	2353	442
USMLE/COMLEX 3	324	2508	393

ADDITIONAL FEATURES

ATLASES

Abdominal CT Atlas
Radiographic Brain Atlas
Physical Exam Findings
Muscle-Nerve Directory

INTERACTIVE EXERCISES

CLINICAL CORRELATIONS

Radiographs, Videos, & Integrated
Clinical/Scientific correlations in the
Tutorial notes

- * The Ditki Team will arrange tutorials into a custom course for faculty upon request.
- * Administrative Privileges for Faculty and Staff available upon request.
- * A single tutorial may exist in multiple courses, so course tutorial counts do not represent the number of unique tutorial.

Medical School (MD/DO)

SYSTEMS-BASED CURRICULUM

Organ Systems Courses

COURSE	Tutorials	Questions
Cardiovascular	90	621
Endocrine	99	741
Gastrointestinal	78	523
Hematology/ Immunology	47	351
Musculoskeletal/ Integumentary	111	770
Neurological	259	1166
Reproductive	44	329
Renal	54	343
Respiratory	45	302

Board Courses

COURSE	Tutorials	Quiz Questions	Board-Style Questions
USMLE/COMLEX 1	554	4303	508
USMLE/COMLEX 2	297	2353	442
USMLE/COMLEX 3	324	2508	393

NURSING SCHOOL (RN)

Nursing School (RN)

Subject-Based Courses

COURSE	Tutorials	Questions	Notes
Anatomy & Physiology	412	2452	Popular due to the breadth of content
General Biology	211	1601	
Genetics	40	294	
Gross Anatomy	324	1836	
Histology	67	453	
Immunology/ Microbiology	207	1440	
Neuroscience Fundamentals	233	931	Popular due to the subject complexity
Pathology	333	2313	
Pharmacology	50	371	
Physiology	334	2145	

Specialty Course

COURSE	Tutorials	Quiz Questions	Board-Style Questions
Nursing (RN)	554	3403	508

ADDITIONAL FEATURES

ATLASES

Abdominal CT Atlas
Radiographic Brain Atlas
Physical Exam Findings
Muscle-Nerve Directory

INTERACTIVE EXERCISES

Residency Programs

PROGRAM-SPECIFIC COURSES

RESIDENCY	Course	Tutorials	Questions	Notes
Neurology	RITE (ABPN) Preparatory	248	1113	Designed for Neurology Resident preparation for the Residency In-Service Exam (RITE) and the ABPN Boards
	Neurology - ABPN MOC (Add-on for faculty)	197	876	Provides 150 CME/MOC (SA-CME) Credits accredited by the University of Nebraska and the APBN
	Neuroanatomy (Basic Science Highlight)	276	1140	Neuroanatomy is the foundation of Neurology — this course provides a self-directed curriculum for subject mastery
	Muscle-Nerve Directory			The Muscle-Nerve Directory is a highly useful neuromuscle learning tool and reference material
Internal Medicine	ABIM Preparatory (In Development)	324	2525	
OBGYN	Embryology (Basic Science Highlight)	79	532	Embryology is a basic science foundation for the OBGYN — this course provides a self-directed curriculum for subject mastery

* The Ditki Team will arrange tutorials into a custom course for faculty upon request.

* Administrative Privileges for Faculty and Staff available upon request.

* A single tutorial may exist in multiple courses, so course tutorial counts do not represent the number of unique tutorial.

CONTINUING MEDICAL EDUCATION (CME)/ PROFESSIONAL DEVELOPMENT

Continuing Medical Education/ Professional Development

Discipline	Course	Tutorials	Questions	Notes
Neurology	Neurology - CME/MOC	197	876	Provides 150 Category 1 CME Credits which can also serve as MOC Credits for Neurologists. Accredited by the University of Nebraska and the ABPN (American Board of Psychiatry & Neurology) Covers core Neuroscience, Neuropharmacology, & Clinical Neurology principles.
Nursing (RN)	Nursing (RN)	324	2525	No CME Credit at this time Unique opportunity for self-directed learning for professional development.
Nurse Practitioner (NP)/ Physician Assistant (PA)	Nurse Practitioner (NP)/ Physician Assistant (PA)	525	3987	No CME Credit at this time Unique opportunity for self-directed learning for professional development.

* The Ditki Team will arrange tutorials into a custom course for faculty upon request.

* Administrative Privileges for Faculty and Staff available upon request.

* A single tutorial may exist in multiple courses, so course tutorial counts do not represent the number of unique tutorial.

UNDERGRADUATE/ PHARMACOLOGY SCHOOL

Undergraduate Universities/ Pharmacology School

Subject-Based Courses

COURSE	Tutorials	Questions
General Biology	211	1601
Anatomy & Physiology	412	2452
Embryology	79	532
Genetics	40	294
Neuroscience Fundamentals	233	931
Histology	67	453
Immunology/ Microbiology	207	1440
Pathology	333	2313
Pharmacology	50	371

MCAT Preparation — Biology/Biochemistry

COURSE	Tutorials	Quiz Questions
MCAT Biology & Biochemistry	242	4303

ADDITIONAL FEATURES

ATLASES

Abdominal CT Atlas
Radiographic Brain Atlas
Physical Exam Findings
Muscle-Nerve Directory
