

TDS HEALTH

Administration Access & Assistance

Log in

- To Get started you will need to log in to TDS Health using your Admin, Client Manager or Statisticians username and password. If you have recently been in your TDS Health subscription, we may try to auto log you in. In this case you should try a different browser.
- You can go to www.tetondata.com or <https://online.statref.com>.

The login interface features a blue header with the 'tds health' logo. Below the header is a white login box containing two input fields: 'User name' with a person icon and 'Password' with a lock icon. A blue 'Log in' button is positioned below the fields. At the bottom of the box, there are three links: 'Athens Login', 'Institutional Login', and 'Forgot Password?'.

Tools – Admin

Once you have logged in, go to the Tools menu and click on Admin.

Admin – Tabs

Statisticians

This will take you into Admin.

- The default page for a Statisticians account is Report Builder.
- The other options are Saved Reports and Saved Results.
- Click SR Client when you are done to get back into your subscription.

The screenshot displays the 'TDS Health Administration' web interface. At the top, there's a blue header with the 'tds health' logo. Below the header, a navigation bar contains tabs for 'Reports' (selected), 'Support', 'Help', 'SR Client', and a 'LOG OFF' button. Under the 'Reports' tab, there are sub-links for 'Report Builder', 'Saved Reports', and 'Saved Results'. The main content area is titled 'Select statistic type(s)' and offers two radio button options: 'Simple' (selected) and 'Grid'. A scrollable list box contains the following options: 'Session Count', 'Session Details - IPs', 'Session Details - Users', 'Distinct Users', 'Distinct IPs', 'Turnaways', 'Turnaway Details', and 'Document Count'. Below this, there's a 'Select duration' section with radio buttons for 'Day' (selected), 'Week', 'Month', 'Quarter', 'Semiannual', and 'Custom'. A yellow highlighted message states: 'Oldest activity for your group is Nov 14 2019'. At the bottom, there is a 'Run Report' button, a text input field for 'Report Name', and 'Reset' and 'Save' buttons.

Admin – Tabs

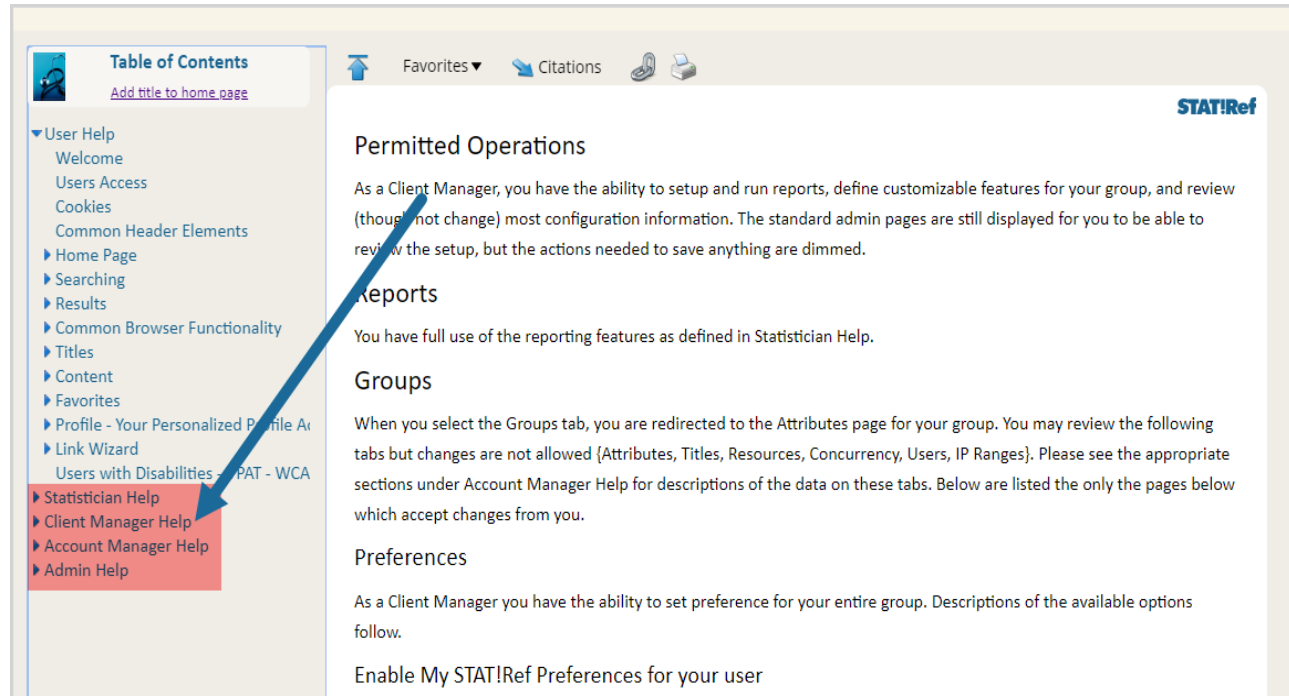

Client Manager

This will take you into Admin.

- If you have logged in with a Client Manager account, you will see the additional Tab - Groups.
- The default section you will begin at under Groups is Attributes along with all the other sections you have access to.
- Click SR Client when you are done to get back into the subscription.

The screenshot displays the TDS Health Administration web interface. At the top, the header includes the 'tds health' logo and a 'Back to Subscription' button with a downward arrow. Below the header, a navigation bar contains tabs for 'Reports', 'Groups' (marked with a '1'), and 'Support'. To the right of these tabs are links for 'Help', 'SR Client', and 'LOG OFF'. A secondary navigation bar lists various sections: 'Attributes', 'Titles', 'Concurrency', 'Users', 'IP Ranges', 'Profile accounts', 'Contacts', 'Splash Page', and 'Links'. The main content area, marked with a '2', shows the 'TDS Health Attributes' section. It contains several fields: 'Owning Organization' (a color-coded bar), 'Group Name' (text box with 'TDS Health'), 'Group Alias' (text box with 'DGA'), 'Group Expiration Date' (text box with '12/17/2020'), 'Dictionary' (a dropdown menu showing 'Stedman's Medical Dictionary (2016)'), 'Date Added' (11/14/2019 5:20:52 PM), and 'Date Modified' (1/23/2020 1:16:44 PM).

Admin Help

If you are logged in to TDS Health with an admin account, under Help you will see additional information with details about these accounts and what you can and cannot access. You will not see this information if you have been IP authenticated into your subscription so if you need help with stats or other admin functions, please login as an admin and then go to Help.
