

StatPearls for MEDICAL STUDENTS

StatPearls offers question banks for more than 70 board exams, supporting a wide variety of disciplines. Below is a list of some of the most popular banks, with many more available.

In addition to board preparation, StatPearls includes a point-of-care tool that delivers quick, evidence-based clinical guidance to help students prepare for clinical practice. Institutional subscriptions also include a wide range of CME activities for faculty practitioners or other affiliated clinicians.
