

StatPearls for NURSING STUDENTS

StatPearls offers question banks for more than 25 nurse (BSN / RN / PN) exams, supporting a wide variety of disciplines. Below is a list of some of the most popular banks, with many more available.

In addition to board preparation, StatPearls includes a point-of-care tool that delivers quick, evidence-based clinical guidance to help nursing students prepare for clinical practice. Institutional subscriptions also include a wide range of CE activities for nursing faculty or other affiliated practicing nurses.
