

For Dentistry and Dental Hygiene

Access comprehensive question banks for Dentists and Dental Hygienists prepping for their board exams. Completely reworked, BoardVitals offers high-quality review questions with detailed explanations for the new Integrated National Board Dental Examination (INBDE). And, with more than 20 cases with detailed explanations, BoardVitals also offers a test bank to prepare for the National Board of Dental Hygiene Exam (NBDHE).

BoardVitals Features

- ✓ INBDE questions are written to be challenging and cover both the basic science and dental sections
- ✓ NBDHE questions are in the testlet and case-based format that students will encounter on the exam
- ✓ Each question includes an answer and detailed explanation, as well as dental image templates that match the exam format
- ✓ Detailed answers with in-depth explanations to cover related topics
- ✓ Review mode and Timed mode to simulate real exam conditions
- ✓ Create customized practice tests and track results in real time
- ✓ 24-hour access from anywhere via computer or mobile device

"The questions were well-written and challenging. The online format helped to simulate the real exam and also allowed me to review the answer explanations more efficiently. Thanks for building a much needed product and I have recommended you to all of my dental school friends!!"

Administrative Features of BoardVitals Include

- **Monitor Student Usage**
 - Track the time students are using the platform and promote engagement to inactive users
- **Track Student Performance**
 - Administrators can track student performance to serve as a proactive remediation tool
- **Create Customized Exams**
 - Faculty can send customized exams to students or utilize questions in the classroom
- **Track Performance by Category**
 - Send entire categories of questions to students for practice
- **Flag Individual Questions**
 - Flag individual questions and send to one or many students to highlight a particular concept

About BoardVitals

BoardVitals helps healthcare practitioners and students train for certification and recertification exams, in-service exams, and meet continuing education requirements in over 50 health and medical specialties. BoardVitals brings together content from major publishers, universities, and top healthcare professionals into a single platform, creating the largest training ecosystem in health and medicine. BoardVitals contributors are experts from top tier academic and practicing institutions such as Harvard, Yale and Duke helping us create the best, most up-to-date content available.
