Osmosis is the learning platform that brings faculty and students back together.

Built on a foundation of evidence-based learning science research, Osmosis’s study tools and comprehensive materials help students:
- Stay organized
- Study more efficiently
- Retain information longer

With Osmosis, you can augment your curricular resources to better engage your students in learning medicine. Improve learning outcomes with educational tools that support flipped classrooms, increase collaboration, and promote adaptive, self-guided study.

Contact us at theteam@tetondata.com

- 1200+ Videos
- 2000+ High-Yield Notes
- 16000+ Pre-made Flashcards
- 8300+ Board-style Practice Questions

- Immunology
- Metabolism
- Microbiology
- Musculoskeletal
- OB/GYN
- Neurology
- Pediatrics
- Psychiatry
- Renal
- Reproductive
- Respiratory
- Surgery

Customizable Study Tools

The personalized Osmosis Study Schedule helps students know exactly what and when to study for class and board exams.

The Osmosis Quiz Builder allows students to create quizzes using both Osmosis flashcards and questions and their own materials.

Osmosis's built-in Spaced Repetition feature ensures that students review content exactly when they need to for deeper understanding and long-term memorization.

Trusted by Institutions Across the Globe

Osmosis is relied on by medical and allied health institutions around the world, including the University of Michigan, UCLA, Weill Cornell Medical College-Qatar, and the University of Arizona. In addition, Osmosis videos have been watched by more than 1.1 million current and future clinicians, and the Osmosis learning platform is used by over 680,000 students worldwide.

"Osmosis teaches faculty how today's health professional students learn to become tomorrow's health professionals. If you want to remain relevant as an educator — and have fun growing while you do — then I strongly encourage you to engage fully with the teaching and learning power of the Osmosis platform."

— Dr. Amin Azzam
Clinical Professor at UC Berkeley, UCSF Joint Medical Program
