CUSTOMIZABLE STUDY TOOLS

The personalized Osmosis Study Schedule helps students know exactly what and when to study for class and board exams. The Osmosis Quiz Builder allows students to create quizzes using both Osmosis flashcards and questions and their own materials. Osmosis’s built-in Spaced Repetition feature ensures that students review content exactly when they need to for deeper understanding and longer-term memory.

TRUSTED BY INSTITUTIONS ACROSS THE GLOBE

Osmosis is relied on by medical and allied health institutions around the world, including the University of Michigan, UCLA, Weill Cornell Medical College-Qatar, and the University of Arizona.

In addition, Osmosis videos have almost 7 million video views per month, and the Osmosis learning platform is used by over 410,000 students worldwide.

“Osmosis teaches faculty how today’s health professional students learn to become tomorrow’s health professionals. If you want to remain relevant as an educator—and have fun growing while you do—then I strongly encourage you to engage fully with the teaching and learning power of the Osmosis platform.”
