

HOW-TO GUIDE

LATEST MEDICAL NEWS COMES TO YOU DAILY

The STAT!Ref Medical News Feed, in conjunction with Reuters Health Medical News, brings the latest key developments in the world of medicine and pharmaceuticals to you daily. Coverage of 150+ leading international medical journals and 80 major conferences and symposia. Written by experts in an easy-to-digest news format. Flexible content and delivery, including customized topic feeds. Access to daily updates and a complete news archive. Approximately 20-25 stories per day. Included at no extra cost in every TDS Health STAT!Ref subscription.

HOW TO SET-UP

Login to TDS Health as you normally do. Click on the Profile link and login to your account. If you do not already have a Profile account, create one by clicking Register and entering your information.

Click the Alerts tab. Select STAT!Ref Medical News Feed. Go to the Alert Preferences tab. If you wish to receive emails, click the box next to "Email me when new articles are published" and fill out the profile based on your category preferences.

The screenshot shows the TDS Health website interface. At the top, there is a navigation bar with the TDS Health logo, a search bar, and user options like 'Resources', 'Titles', 'Welcome Kate!', 'Tools', and 'Log Out'. Below the navigation bar, the 'STAT!Ref MEDICAL NEWS FEED' logo is displayed. The main content area is titled 'Email Alerts' and features a checkbox for 'Email me when new articles are published'. Below this, there is a section for 'Configure Medical News Feed Alerts' with instructions to select items from a list. The 'Alerts Selections' section contains a grid of medical categories, each with a checked checkbox. The categories are: Addiction, Attention Deficit Hyperactivity Disorder (ADHD), African American Health, Acquired Immuno-Difficiency Syndrome, Allergic Rhynitis, Allergy, Dermatology, Diabetes, Drug and Device News, Deep Vein Thrombosis (DVT), Economic news, Endocrine, Epidemiology, Multiple Sclerosis, Nephrology, Nerve Injury, Neurology, Non-Hodgkin's Lymphoma, Nuclear Medicine, and Nursing.

Log off. You are now registered. If you do not wish to receive emails, each time you login to TDS Health go to Profile, login using your Profile username (email) and password and click Alerts under the "Welcome Your Name" drop-down. The articles available based on your criteria are listed in the Articles tab. Or, access the RSS Feeds tab.

If you have any questions, please call 800-901-5494 or email support@tetondata.com.
